## 登入帳號(身份證字號)及預設密碼(身份證字號)

The image shows a mobile application interface for the NUG 2022 NTSU announcement platform. At the top, there is a logo for 'NUG 2022 NTSU' and another logo for '成大資訊公告平臺' (CUA Announcements Platform) with the acronym 'KUAP'. Below the logos, there are two input fields: the first is for '學號/識別證號/校外人士身分證字號' (Student ID/ID Card Number/ID Number for Off-Campus Users) and the second is for '校內同成功入口/行政e化/校外人士註冊密碼' (Intra-campus Success Portal/Administrative e-Service/Registration Password for Off-Campus Users). To the right of the second field is an orange '登入 >' (Login) button. Below the input fields, there is a checkbox for '記錄登入資訊' (Remember login information) and a link for '忘記密碼' (Forgot password). A '重要提醒' (Important reminder) section contains the text: '本校教職員工生，請使用成功入口帳號密碼登入' (For faculty and staff, please use the success portal account and password to log in) and '111全大運相關人員，帳號密碼為身分證字號' (For 111 National University of Tainan related personnel, the account and password are the ID number). At the bottom, there is a button with a person icon and the text '訪客請先註冊' (Visitors please register first).
